## **2. Authority of directions**

- (1) Section 26(2)(b) of the Disaster Management Act provides that a national disaster, once declared, must be managed in accordance with existing legislation, as well as contingency arrangements as amplified by disaster management directions or directions issued in terms of section 27(2) of the Disaster Management Act.
- (2) These directions are issued pursuant to the provisions of section 27(2) of the Disaster Management Act, and specifically in terms of regulation 4(7), read with regulations 42(6) and 42A(3), of the Regulations, to provide for measures necessary to manage the spread of COVID-19 at sea ports for Adjusted Alert Level 3.
- (3) These directions are valid for the duration of the declared national state of disaster.

### **3. Purpose of directions**

The purpose of the directions is to provide for—

- (a) the provision of improved access to hygiene and sterilisation control on ships, sea ports and at licensed port operations;
- (b) commercial sea ports, foreign crew changes and prohibition on cruise ships calling at any of the sea ports;
- (c) the prohibition of passenger vessels visiting South African sea ports;
- (d) the repatriation of South African seafarers;
- (e) medical evacuation;
- (f) transportation of cargo; and
- (g) the implementation of a reporting, tracking, tracing and monitoring system at sea ports.

### **4. Application of directions**

These directions are applicable to all nine commercial ports as provided in the Act.

### **5. Provision of improved access to hygiene and sterilisation control on ships, sea ports and in licensed port operations**

- (1) The Authority and licensed port operators must provide adequate facilities for washing of hands and sanitisation equipment centres for visitors, port workers and management at all entrances and exits at sea ports.
- (2) The Authority must designate isolation centres at all commercial ports to facilitate screening, rapid testing and treatment of embarking and disembarking South African citizens or holders of permanent residence permits, crew and marine personnel.
- (3) Owners of sea port facilities must put measures in place to adhere to physical distancing to curb the spread of COVID-19.
- (4) All sea port users entering a port must be screened for COVID-19.
- (5) The Authority may, after consultation with service providers of ships, provide on a user pay principle, sterilisation infrastructure and procedures to be followed by

personnel who board a vessel for the purpose of providing a service to that vessel.

- (6) The Authority must provide personnel who are responsible for security and screening with the appropriate safety gear and equipment.

## **6. Commercial seaports and foreign crew changes**

- (1) All commercial sea ports remain open.
- (2) Foreign crew changes are permitted at all nine commercial ports.
- (3) (a) Signing-on crew must produce, at the first South African Port of Entry, a valid negative Polymerase Chain Reaction ("PCR") test certificate or a valid certificate of negative COVID-19 test results, obtained not more than 72 hours before the date of travel, from an accredited laboratory and in line with World Health Organization requirements.  
(b) in the event of the crew member's failure, for whatever reason, to submit a valid negative test certificate in terms of paragraph (a), upon arrival in South Africa, the crew member shall be required to do an antigen test at his or her own costs;  
(c) The failure of a crew member to produce a valid negative PCR test certificate or a valid certificate of negative COVID-19 test results will warrant quarantine, at the crew member's or employer's own cost.
- (4) (a) Signing-off crews are not required to produce a valid negative PCR test certificate if the vessel has not had crew changes or has not visited a foreign port within 10 days before arrival at a South African sea port.  
(b) A crew member's failure to adhere to the requirement contemplated in paragraph (a) or (b), in instances where the vessel has had crew changes or has visited a foreign port within 10 days before arrival at a South African sea port, will warrant quarantine, at the crew member's or employer's own cost.
- (5) (a) Foreign crew may layover at a designated quarantine facility for a period not exceeding seven days, at their own cost, but must, immediately after this period has lapsed, proceed directly to the nearest Port of Entry and comply with South African immigration requirements and Port Health protocols.  
(b) Shore leave is allowed for foreign crew in line with South African
