BOARD NOTICE 4 OF 2021**SOUTH AFRICAN COUNCIL FOR THE ARCHITECTURAL PROFESSION****CODE OF CONDUCT FOR REGISTERED PERSONS****Architectural Profession Act 44 of 2000**

In terms of section 36 of the Architectural Profession Act 44 of 2000 (“the Act”), the South African Council for the Architectural Profession (“SACAP” or the “Council”) hereby makes known that in compliance with section 27 of the Act, it made the Rules for Professional Conduct set out hereunder.

Preamble

The overriding objectives for the Code of Conduct is to strive for excellence in the Architectural Profession, to protect the environment against unsound architectural practices and the delivery of services to the public with due care, skill, diligence and integrity, applying all relevant knowledge in the process.

Should these objectives not be met, Registered Persons are subject to the disciplinary supervision of the Council. The Rules lay down standards of professional conduct and practice which must be complied with. Failure to do so could lead to an investigation which may result in a disciplinary hearing.

Section 27 of the Act requires Council to draw up a Code of Conduct (“Code”) for Registered Persons. All such persons shall comply with the Code and failure to do so may constitute improper conduct.

Any failure to comply with the provisions of this Code shall be dealt with in line with the disciplinary procedures as set out in the Act.

Where a particular conduct is not specifically stipulated in this Code it does not mean that such conduct cannot form the basis of disciplinary proceedings. Each case shall be judged on its merits, and there may be circumstances in which unacceptable or improper conduct or serious professional incompetence is found even where there has been no breach of the express terms of this Code. The rules in this Code are not exhaustive.

A disciplinary order may be made against any Registered Person convicted of a criminal offence that has material relevance to such person’s fitness to practise as a Registered Person.
