Producers who place in excess of 10 tonnes of identified products onto the market on an annual basis, responsible for extended producer responsibility under the regulations shall be identified subject to the following criteria:

- (a) In the case where branded goods, either are identified products or are sold accompanied by or within identified products and the registered owner of the brand operates an enterprise, domiciled in South Africa, that makes and/or sells such goods, the producer shall be the paper, packaging and single use product manufacturer, converter and/or the brand owner.
 - (b) In the case where branded goods, either are identified products or are sold accompanied by or within identified products and the registered owner of the brand does not operate or have a controlling interest in an enterprise domiciled in South Africa, that makes and or/sells such goods, the Producer shall be either -
 - (i) the licensed agent of the branded goods, or
 - (ii) where no official agency agreement may be in place, the importer of the branded goods as depicted on the Bill of Lading;
 - (c) In the case of all other identified products not covered by subparagraphs (i) and (ii) the producer shall be the Retailer;”;
- (c) the substitution of the **“single-use plastics”** definition for the following definition:
- ““single-use products”** means items/materials designed to be commonly used for products or packaging and include items intended to be used only once before they are thrown away or recycled and could be made from any material;”;
- (d) the insertion after the definition of **“paper”** of the following definitions:
- “pre-consumer materials”** means materials diverted from the waste stream during a manufacturing process, excluding materials, such as rework, regrind or scrap generated in a process, capable of being reclaimed within the same process that generated them and which are reutilized;
- “post-consumer material”** means material generated by households or by commercial, industrial and institutional facilities in their role as end-users of the product which can no longer be used for its intended purpose. This includes returns of material from the distribution chain;”;
- (e) the insertion after the definition of **“producer”** of the following definition:
- “recycled content”** means the proportion, by mass, of post-consumer recycled material in a product or packaging excluding any pre-consumer waste;”;
- (f) the substitution for paragraph 3 of the following paragraph:
- “3. This Notice applies to the following identified products at the end of their life –**
- (1) paper & paper packaging material;
 - (2) plastic packaging;
 - (3) biodegradable and compostable packaging;

- (4) single-use products;
- (5) single-use compostable products;
- (6) single-use biodegradable products;
- (7) glass packaging; and
- (8) metal packaging containers.”;

(g) the substitution for item (d) of subparagraph (1) in paragraph 4 of the following item:

“(d) Single use products:

- (i) Films/Flexibles: agricultural mulch films, garbage bags, pallet wrap;
- (ii) Injection moulded products: cups, tubs, cutlery (knives, forks, and spoons), stirrers;
- (iii) Blow moulded products: bottles, containers, jars;
- (iv) Extruded products: straws, sheets; and
- (v) Thermoformed products: trays, punnets, cups, various packaging.”;

(h) the substitution for item (e) of subparagraph (1) in paragraph 4 of the following item:

“(e) Single use compostable products:

- (i) Compostable Films/Flexibles: agricultural mulch films, garbage bags, pallet wrap;
- (ii) Compostable Injection moulded products: cups, tubs, cutlery (knives, forks, spoons), stirrers;
- (iii) Compostable Blow Moulded products: bottles, containers, jars;
- (iv) Compostable Extruded products: straws, sheets; and
- (v) Compostable products: trays, punnets, cups, various packaging.”;

(i) the substitution for item (f) of subparagraph (1) in paragraph 4 of the following item:

“(f) Single use biodegradable plastic products:

- (i) Biodegradable Films/Flexibles: agricultural mulch films, garbage bags, pallet wrap;
- (ii) Biodegradable Injection Moulded products: cups, tubs, cutlery (knives, forks, spoons), stirrers;
- (iii) Biodegradable Blow Moulded products: bottles, containers and jars;
- (iv) Biodegradable Extruded products: straws, sheets; and
- (vi) Biodegradable products: trays, punnets, cups, various packaging.”;

(j) the substitution for item (h) of subparagraph (1) in paragraph 4 of the following item:

“(h) Metal packaging including:

- (i) Tinsplate (Ferrous); and
- (ii) Aluminium (non-ferrous).”;

(k) the substitution for paragraph 7 of the following paragraph:

“7. The targets for each identified waste stream for the products as contained in Annexure 1 to this Notice apply for a period of 5 years from the date of the implementation of the extended producer responsibility scheme.”.

EXPLANATORY MEMORANDUM

DRAFT AMENDMENTS TO THE REGULATIONS AND NOTICES REGARDING EXTENDED PRODUCER RESPONSIBILITY, 2020

The proposed amendments to the Regulations regarding extended producer responsibility and Notices in respect of the extended producer responsibility scheme for the electrical and electronic equipment sector, the lighting sector, and the paper, packaging and some single use products, published in Government Notices R.1184, R.1185, R.1186 and R.1187 of Government Gazettes 43879, 43880, 43881 and 43882 of 5 November 2020 respectively, can be summarised as follows:

- The definition of "Producer" now provides for customised definitions for the specific Notices to provide clarity;
- The requirements for the Life Cycle Assessment (LCA) have been prescribed in the Regulations to provide clarity;
- The transformation requirements have been clarified and clearly indicate the roles of the relevant stakeholders;
- The obligations of a product responsibility organisation and the producer have been separated to avoid the conflation of roles and responsibilities;
- The costs associated with the calculation of the extended producer responsibility fee have been prescribed to prevent any uncertainty or ambiguity;
- The requirement to include the extended producer responsibility fee as a separate line item on each invoice or cash sale receipt was removed and the provision was amended to provide for the extended responsibility fee to be displayed on the website of the producer responsibility organisation or producer;
- The items that must be included in the determination of the administration cost for the producer responsibility organisation have been prescribed, as well as the percentage administration cost;
- The Lighting Notice and Electrical and Electronic Equipment Notice have been amended by listing the identified products that must have a mandatory take back scheme;
- The Paper, Packaging and Some Single Use Products Notice has been amended as follows:
 - The definition of Producer has been amended for the Paper, packaging and some single use products Notice to provide for the -
 - inclusion of a threshold of 10 tonnes per annum to focus on larger manufacturers;
 - provision for licensed agents for branded products; and
 - provision for the retailer to be the "producer" in circumstances for the identified products where the importer or licensed agent is unknown;
 - The definitions of some categories have been amended such as biodegradable plastics, compostable plastics and single use plastics to biodegradable products, compostable products and some single use products respectively; and
 - The targets for some identified products have been amended in agreement with the affected industry.
