NATIONAL TREASURY

NO. 279

29 March 2021

I, Tito Mboweni, Minister of Finance, in my capacity as the Minister of Finance, hereby publish, in accordance with section 19, 20 and 26 of the Division of Revenue Act, 2020 (Act No. 4 of 2020) as amended by the Division of Revenue Amendment Act (Act No. 10 of 2020) and Division of Revenue Second Amendment Act, 2020 (Act No. 20 of 2020), the attached Explanatory Memorandum and the schedules:

- (a) The stopping and re-allocation of conditional grants to municipalities made in terms of section 19 and 20 of the Division of Revenue Act;
- (b) Technical adjustments on conditional allocations to municipalities; and
- (c) The allocations made for the relief of disasters incurred in municipalities in terms of section 26 of the Division of Revenue Act.

For ease of reference only and where applicable, the attached Schedules reflect the main allocations, adjustments and total adjusted allocations.

TT MBOWENI, MP
MINISTER OF FINANCE

Explanatory Memorandum to the Allocations set out in the attached Schedule

This *Gazette* is published in terms of Section 16 and 26 of the Division of Revenue Act, 2020 (Act No. 4 of 2020) (DoRA), as amended by the Division of Revenue Amendment Act, 2020 (Act No 10 of 2020) and the Division of Revenue Second Amendment Act, 2020 (Act No.20 of 2020).

Section 26 provides that any transfers not listed in the Schedules may only be made in terms of Section 6(3) which provides that additional allocations to provinces or municipalities may only be made in an adjustments budget and must comply with such monitoring and reporting requirements determined by the National Treasury. Further, Section 26 also requires that the National Treasury must publish such allocations in the *Gazette*, prior to the transfer of any funds to a province or municipality.

LOCAL GOVERNMENT

Stopping and Re-allocation of funds between municipalities

1. National Treasury initiated the process of stopping and re-allocation following the engagements with the transferring officers and the municipalities and this is done in terms of section 19 and 20 of DoRA. The stopping affects the municipalities that reported significant under-performance and non-compliance against conditional grants frameworks and the provisions of the Act.
2. These funds are being re-allocated to municipalities that have fast tracked the implementation of their projects and have accelerated expenditure against their original allocations and have the capacity to fully spend by 30 June 2021.
3. Only capital grants are being affected by the stopping and re-allocation namely: the Water Services Infrastructure Grant 5B, Regional Bulk Infrastructure Grant 5B, Urban Settlements Development Grant, Integrated National Electrification Programme (5B), Energy Efficiency Demand Side Management Grant, Public Transport Network Grant, Neighbourhood Development Partnership Grant (5B) and Municipal Infrastructure Grant (MIG).
4. The stopping has affected 106 municipalities against 152 municipalities that reflected underspending as at second quarter of the financial year across all provinces in order to curb possible under-spending. The reasons for underspending are non-appointment or late appointment of service providers, unavailability of houses to electrify, technical capacity to implement the projects and legal objections against appointed contractors.
5. This stopping however, does not imply that projects should stop, rather municipalities should reprioritize in order to accelerate on their committed

projects. Only projects that are not ready for implementation in the current year are affected as funds transferred could be misused.

6. However, a portion of WSIG, RBIG and MIG allocation will be re-allocated to municipalities that were affected by the disaster that occurred late in January 2021 because of the storm Eloise. The funds will be reprioritised and re-allocated against the municipalities that were affected by the storm and this is done in terms of section 20 (6) of DoRA.
7. In addition, a portion of the amount stopped against the PTNG will be re-allocated against two municipalities from the following provinces Kwazulu-Natal and Mpumalanga, and the municipalities are Msunduzi Local Municipality and Mbombela Local Municipality respectively. The reason for this reallocation is because these two municipalities were since excluded from the programme in 2020/21 MTEF allocations and the re-allocation will therefore provide assistance to conclude the PTNG projects that were not completed in 2019/20 financial year.

Municipal Emergency Housing Grant allocation

8. The gazette will also reflect what was published in the government gazette No. 44183 dated 24 February 2021 which reflects the conversion of the R100 million for the Provincial Emergency Housing Grant into Municipal Emergency Housing Grant (MEHG) in terms of section 21 of the DoRA. This conversion increased the total 2020 MEHG allocation from R158.8 million to R258 million.
9. Furthermore, the gazette will also reflect all the transferred MEHG funds to municipalities following various disaster incidents that occurred within municipalities and were declared by the Department of Human Settlement and this was done in terms of section 26 of DoRA.
