- (a) The Broad Based Black Economic Empowerment (B-BBEE) status of applicants-obtainable from a valid B-BBEE certificate measured against Amended Agricultural Black Economic Empowerment (AgriBEE) Sector Code issued by a SANAS accredited verification agency or Sworn Affidavit for EMEs/Black Owned QSEs;

- 5.8 If a permit has been lost by an applicant either in his/her possession or during the process of clearing, a replacement permit will only be issued after proof of payment for the new permit has been received.
- 5.9 A lost permit will only be replaced if an affidavit in this regard has been submitted and the Department is satisfied that the applicant acted in good faith and took the necessary steps to recover the original permit, as well as undertake to return the original permit if it is found. This includes permits lost due to incorrect information on the application form that requires the re-issuing of a permit.
- 5.10 The replacement of a permit due to changes of the name, custom code or address as a result of mergers, business arrangements, or any other reason, will require a repayment of the permit fee.
- 5.11 The provisions of this section shall apply subject to the conditions specified in Table 1.
