NO. R. 2854

9 December 2022

**INVITATION FOR PUBLIC COMMENT: GREEN HYDROGEN
COMMERCIALISATION STRATEGY**

In September 2021, Cabinet approved a Hydrogen Society Roadmap for South Africa, developed by the Department of Science and Innovation. In February 2022, the President highlighted in the State of the Nation Address the strategic importance of positioning South Africa as a global leader in the Green Hydrogen market.

Cabinet requested **the dtic** to develop a draft commercialisation strategy on green hydrogen. I requested a Ministerial Panel on Green Hydrogen to produce such a draft strategy.

Cabinet has now approved that the draft Green Hydrogen Commercialisation Strategy (GHCS), be released for public comment.

Copies of the Green Hydrogen Commercialisation Strategy is accessible through the following hyperlinks:
