**NATIONAL TREASURY****NO. 3211****29 March 2023**

I, Enoch Godongwana, Minister of Finance, MP in my capacity as the Minister of Finance, hereby publish, in accordance with sections 18 and 19 of the Division of Revenue Act, 2022 (Act No. 5 of 2022) as amended by the Division of Revenue Amendment Act 2022 (DoRAA)(Act No. 15 Of 2022), the attached Explanatory Memorandum and Schedules:

- (a) The stopping and re-allocation of conditional grants to municipalities made in terms of sections 18 and 19 of the DoRAA,
- (b) Technical adjustments (correction of errors in terms of section 15 of the Act) on conditional allocations to municipalities,
- (c) conversion of allocations between schedules in terms of section 20 of the DoRAA; and
- (d) request for departing from the provision of the Act in terms of section 35 of the DoRAA.

For ease of reference only and where applicable, the attached Schedules reflect the main allocations, first and second adjustments, and total adjusted allocations.

**MR ENOCH GODONGWANA  
MINISTER OF FINANCE, MP**

## **Explanatory Memorandum to the Allocations set out in the attached Schedule**

This Gazette is published in terms of the Division of Revenue Act, 2022, (Act No. 5 of 2022) (DoRA) as amended by the Division of Revenue Amendment Act, 2022 (Act No. 15 of 2022) (DoRAA) and provides information regarding the adjustment of allocations to municipalities in the 2022/23 financial year.

This is necessitated by the need for the stopping and re-allocation of conditional grants to municipalities made in terms of sections 18 and 19 of DoRAA and technical adjustments on conditional allocations to municipalities.

### **STOPPING AND RE-ALLOCATION:**

The stopping and re-allocation of conditional grants is done in terms of sections 18 and 19 of the 2022 DoRAA against municipalities that reported significant underperformance, and non-compliance against conditional grants frameworks and the provisions of the Act against the 2022/23 allocations.

The purpose of sections 18 and 19 of the 2022 DoRAA is to avoid transferring more funds to municipalities that are sitting with unspent transferred funds, avoid fiscal dumping, addresses possibilities of funds misused and support fast moving projects in-year. The stopping however does not imply that projects should stop, rather municipalities should reprioritise to accelerate against their committed ready projects. Only projects that are not ready for implementation in the current year are affected by the stopping process as transferring more funds could lead to the misusing of the conditional grants.

The stopping and re-allocation process provides that municipalities that are showing improved performance could be considered for additional funding and the ones that are under performing could have their funds stopped in the current year. These municipalities will be supported in future when their performance improves.

Eleven capital grants are being affected by the stopping and re-allocation process namely; the Water Services Infrastructure Grant (WSIG 5B), Regional Bulk Infrastructure Grant (RBIG 5B), Public Transport Networks Grant (PTNG), Urban Settlements Development Grant (USDG), Informal Settlements Upgrading Partnership Grant (ISUPG), Neighborhood Development Partnership Grant (NDPG 5B and 6B), Integrated National Electrification Programme (INEP 5B and 6B), Municipal Infrastructure Grant (MIG), Rural Road Assets Management Systems Grant (RRAMS) and the Integrated Urban Development Grant (IUDG).

The Energy Efficiency and Demand Side Management (EEDSM) is the only capacity grant affected by sections 18 and 19 of DoRAA.

### **TECHNICAL ADJUSTMENTS ON CONDITIONAL ALLOCATIONS:**

The department of Cooperative Governance (DCoG) confirms that, a total amount of the R17 million for the Municipal Disaster Recovery Grant (MDRG) was erroneously allocated to Maphumulo local municipality (R7 million) and iLembe District Municipality (R10 million) to address the 2019 flood damages.

These funds will not be transferred to the two municipalities due to erroneous allocations. The amount of R17 million will be re-allocated towards the 2022 flood intervention measures within Mandeni local municipality.

National Treasury through the recommendation from the department of Human Settlements (DHS) approved the request to allocate a portion of unallocated Municipal Emergency Housing Grant (MEHG) following the disaster that incurred in various municipalities across the country. The total amount of R55.2 million is gazetted against five municipalities in four provinces namely; Eastern Cape, Gauteng, Kwa-Zulu Natal, and Western Cape to provide emergency relief to the households that are affected by disasters.

The National Treasury approved a request to continue spending the previous year's Covid-19 approved funding for Tshwane Metropolitan municipality in terms of section 35 of DoRAA. The reason for this is to allow Tshwane Metropolitan municipality to spend the USDG allocation that was re-prioritised for Covid-19.

**CONVERSION FOR BOTH SCHEDULE 6B (INDIRECT) TO SCHEDULE 5B (DIRECT)**

R134.2 million of RBIG will be converted from Schedule 6, Part B (indirect) to Schedule 5, Part B (direct) for George local municipality as per section 20 of DoRAA.
