

BOARD NOTICE 442 OF 2023**NOTICE OF APPLICATION FOR THE DEFINING OF A PRODUCTION AREA
ROOIKRANS (WARD)**

(In terms of Section 6 of the Wine of Origin Scheme published by Government Notice No. R.1434 of 29 June 1990)

Please take note that De Wet Wynkelder (Pty) Ltd applied to the Wine and Spirit Board to define Rooikrans (Ward) as a production area to produce Wine of Origin.

The starting point is 1.6 km east of Worcester on the R60, and from here the proposed boundary follows said road for 6.7 km in a south-eastern direction until right against the existing Nuy WO Ward's north-western boundary. From there it moves in a western, then south-western and finally north-eastern direction along said ward boundary until it crosses the R60. Subsequently it follows an eastern direction further along said ward boundary up to the northern corner of the farm RE/461 on the R60 road. From there generally south-westwards along this farm's north-western boundary and farms RE/441, RE/478, RE/479 and 8/481's eastern boundaries, until it reaches the top of the watershed towards Scherpenheuvel. From there it goes westwards along said watershed to right against the Breede River at Osdrif. From there upstream in a north-western direction along the Breede River up to Matjieskloof below the Brandvlei Dam wall. From this point generally north-eastwards along the north-western boundaries of farms 60/369 and 61/369 and then eastwards along the latter farm's northern boundary before moving in a north-eastern direction along a stream that flows from the R60 to the R43, as well as the southern boundary of the farm 26/369, and then to the R41. From there generally north-westwards along the north-eastern boundary of the last-mentioned farm and then further eastwards along farms 40/369, 39/369, 45/369, 34/369, 88/369, 88/369 and 6/369's north-western, and the last-mentioned farm's north-eastern boundaries. Finally it moves north-eastwards, upstream along the small river which inter alia flows through the farm 5/369 in the direction of Overhex Cellar, to where this river crosses the R60, the starting point mentioned above.

The proposed boundaries can be viewed at www.sawis.co.za – "Certification – News and Information" or contact Jackie Cupido at 021-807 5704.
