## SCHEDULE

## Definitions

1. In these regulations any word or expression to which a meaning has been assigned in the Act shall have that meaning, unless the context otherwise indicates: -

“the Act” means the Health Professions Act, 1974 (Act No. 56 of 1974); and  
“professional board” means the Professional Board for Radiography and Clinical Technology established in terms of section 15 of the Act.

#### **Requirement for registration**

2. The registrar may register, as an Electro-Encephalographic Technician, Electro-Cardiography Technician, or Spirometry Technician, any person who-
  - (a) holds an appropriate qualification in Electro-Encephalographic Technique, Electro-Cardiograph Technique, or Spirometry Technique granted, after examination, by any institution or examining authority approved by the professional board from time to time: Provided that no qualification shall be accepted for the purpose of these Regulations unless the training thereof has extended over a minimum period of twelve months in an institution approved by the professional board; and
  - (b) has passed an examination in Electro-Encephalographic Technique, Electro-cardiograph Technique, or Spirometry Technique conducted by the professional board in terms of section 15B (1) (b) of the Act.

#### **Short Title**

3. These Regulations are called Regulations Relating to the Registration of Technicians in Clinical Technology, 2023.
