INDEPENDENT COMMUNICATIONS AUTHORITY OF SOUTH AFRICA

NO. 4343

7 February 2024

**FEES AND CHARGES FOR POSTAL SERVICES**

The Independent Communications Authority of South Africa (ICASA) hereby gives notice in terms of Section 30 of the Postal Services Act No 124 of 1998, that, in consultation with the South African Post Office, and in accordance with 2013 Price Cap Regulations for Reserved Postal Services (Government Gazette No 37010 of 8 November 2013) as amended, the postage rates and service fees for the reserved postal services contained in this schedule will apply as from 01 April 2024.

The increase in postage rates and service fees for the reserved postal services were determined based on an allowable revenue cap increase of 5.5% approved by the Authority for the 2024/25 tariff control period.

| | 70 mm | 1 kg | Length 620 mm | |
| Rolled addressed newspapers | 70 mm | 1 kg | 353 mm | |

Out of standard

When articles do not conform to the maximum mass, size or thickness, the next rate category must be applied.

Articles smaller than 90 mm x 140 mm

The rate applicable must be charged according to the criteria for B5 or B4.

Domestic bulk mail

Unsorted (ordinary) bulk mail

- The service is suitable for individuals and businesses that post 100 and more domestic letters.
- Mail will only be accepted if an official payment method is used, i.e., stamps, remote meter-setting franking machine mail, postage-paid and postage-included envelopes.
- Remote meter-setting mail may only be posted at designated offices.
- Mail paid for by all other payment methods may be posted at any post office/mail centre.
- Letters must be faced and tied in bundles when handed in over the counter.

Presorted bulk mail

- The service is suitable for businesses that post large numbers of domestic letters. The minimum volume is 1 000 and more presorted articles per consignment.
- The items must meet the relevant criteria as described in the National Bulk Mail Service Guide.
- All articles in a consignment must -

- originate from the same sender,
- be identical in shape, size and mass; and
- have the same contents.
- The articles must contain return addresses.
- Mail will only be accepted if the official payment methods are used, i.e., stamps, Permit Mail (only presorted bulk mail), remote meter-setting franking machine mail, postage-paid and postage-included envelopes.
- No rebates apply to letters with stamps as a payment method.
- The client must have his database checked by an official PAMSS and provide the official grading certificate with each posting together with the Bulk Mail Delivery Note.
- Mail must be posted at designated mail centres and mail accepting offices only.

Items larger than 353 x 250 mm, thicker than 30 mm and weighing more than 1 kg will be considered parcels.

1.3. Domestic parcel service

This service is available at all post offices.

| | |
|---------------------------|------------------------------------------------------------------------------------------------|
| Counter to counter | R 78.60 for the first kilogram R 10.60 for each additional kg or part of a kg |
|---------------------------|------------------------------------------------------------------------------------------------|

What is considered as a parcel?

Any postal item larger than 250 x 353 mm and/or thicker than 30 mm and/or weighing more than 1 kg will be considered a parcel.

- Fees are based on the greater of the actual mass or the volumetric mass (i.e., Length by width by height (cm) divided by 5000) are charged for non-documents (parcels)

Insurance is an optional extra. The client has the option of insuring the ordinary parcel at a rate of three per cent of the declared value up to a maximum of R 5 000 with a minimum rate of R 6.30 per parcel.

1.4 International mail

International letter and parcel services are available worldwide either by airmail or surface mail, however availability of the services is subject to change as per approval and/or notification processes with the relevant Postal Services Regulatory/National Authorities, where applicable. These services may be accessed by posting either at post offices or by posting in street posting boxes. The available range of services includes:

| Product | Description |
|----------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Aerogrammes | Special prepaid air-mail letters consisting of one lightweight folded sheet of paper that can be sealed. No enclosures are permitted |
| Postcards | Convenient conveyance of unenclosed messages and greetings |
| Small letters | Consists of private and business letters up to 50 g and not bigger than 120 x 235 x 5 mm |
| Medium letters | Consists of private and business letters up to 250 g and not bigger than 250 x 176 x 10 mm |
| Large letters | Consists of private and business letters up to 300 g and not bigger than 353 x 250 x 30 mm |
| Small parcels | For small quantities of low-mass goods under 2 kg at a lower rate and with simpler customs declarations than for large parcels |
| Large parcels | For the conveyance of goods and material up to 30 kg. The maximum mass differs from country to country. |
| Registered mail | A separately streamed service with added security for letter post items |
| Direct publishers bags (M Bags) | The economical conveyance by air mail or surface mail of printed matter to the same addressee at the same address. A minimum rate for 5 kg applies to each bag. The mass of each item in the bag must not be more than 2 kg. |

Special value-added services

Value can be added to basic international mail services by buying additional value-added services. These include express delivery, registered, insured and advice-of-delivery (AR) options. As these add-on services are not available to some countries or for some categories of mail, enquiries should be made at post offices to find out if they are available for your purposes. Insured and registered items must be posted at post office counters and not in street post-boxes.

International reply coupons

The international reply coupon service enables customers to repay the postage on a reply from a correspondent abroad. Coupons sent abroad may be exchanged for one or more postage stamps representing the minimum postage pre-payable on an air-mail letter. The coupons cost R 49.60 and are available at post offices.

Exchange control regulations

Exchange control regulations apply equally to postal items as they do to other exports. Generally, items of a value of more than R 1 000 require specific export documents to be completed. Details are available at post offices.

Customs declarations

The type and extent of customs declarations are regulated by the statutes of the Universal Postal Union and the requirements of destination countries. The following basic requirements are stipulated for the various mail categories.

| ARTICLE/CONTENTS CATEGORY | CUSTOMS DOCUMENTATION REQUIRED |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
