1) The GFECRA cash receipt and requisition of cash recorded in Table 4 is not included in revenue and expenditure as the budget position presents the net of the cash flows related to balance sheet transactions. These transactions are recorded as part of changes of cash and other balances.
 2) Loan advance by National Treasury to Eskom in terms of the Eskom Debt Relief Act, 2023 (Act No. 7 of 2023).
 3) The Gold and Foreign Exchange Contingency Reserve Account Deferral Amendment Act, Act No. 27 of 2024 refers. In 2024/25, the Reserve Bank will pay R200 billion to government in partial settlement of the GFECRA balances. Of this amount government paid the Reserve Bank R100 billion towards the Reserve Bank's contingency reserve requirements, as a direct charge against the National Revenue Fund. The balance of the GFECRA receipt is recorded on the balance sheet as a reduction in the financing requirement of R100 billion.
 4) A negative value indicates an increase in cash and other balances. A positive value indicates that cash is used to finance part of the borrowing requirement.
