GENERAL INFORMATION

POPI ACT COMPLIANCE

In terms of Protection of Personal Information Act, 2013 (POPI Act), the Compensation Fund wants to assure Employees and the Medical Service Providers that all personal information collected is treated as private and confidential. The Compensation Fund has put in place the necessary safeguards and controls to maintain confidentiality, prevent loss, unauthorised access and damage to information by unauthorised parties.

1. <u>MEDICAL SERVICE PROVIDERS REGISTRATION REQUIREMENTS WITH THE</u> <u>COMPENSATION FUND</u>

- 1.1. The Compensation Fund requires that any Medical Service Provider, providing medical treatment to patients in terms of the COID Act, must be registered with The Compensation Fund as follows:
 - 1.1.1. Copies of the following documents must be submitted to the nearest Labour Centre
 - a. A certified identity document of the practitioner
 - b. Certified valid BHF certificate
 - c. Recent bank statement with bank stamp or bank letter
 - d. Proof of practice address not older than 3 months.
 - e. Submit SARS VAT registration number/ certificate if VAT registered. If this is not provided the Medical Service Provider will be registered as a Non VAT vendor.
 - f. A power of attorney is required where the MSP has appointed a third party for administration of their COID claims.
 - 1.1.2. A duly completed original Banking Details form (WAC 33) that can be downloaded in PDF from the Department of Employment and Labour Website (www.labour.gov.za).
 - 1.1.3. Submit the following additional information on the Medical Service Provider letterhead, Cell phone number, Business contact number, Postal address and Email address. The Fund must be notified in writing of any changes in order to effect necessary changes.

Department: Employment and Labour REPUBLIC OF SOUTH AFRICA

2. REGISTERING WITH THE COMPENSATION FUND AS AN ONLINE SYSTEM USER FOR MEDICAL SERVICE PROVIDERS

- 2.1. To register as an online user of the claims processing system, COMPEASY, the following steps must be followed:
 - 2.1.1. Register as an online user with the Department of Employment and Labour website (www.labour.gov.za)
 - 2.1.2. Register on the CompEasy application having the following documents to upload:
 - A certified copy of identity document (not older than a month from the date of application)
 - Certified valid BHF certificate
 - Proof of address not older than 3 months
- 2.2. In the case where a medical service provider wishes to appoint a proxy to interact on the claims processing system the following ADDITIONAL documents must be uploaded:
 - An appointment letter for proxy (the template is available online)
 - The proxy's certified identity document (not older than a month from the date of application)
 - There are instructions online to guide a user on successfully registering (www.compeasy.gov.za)

3. THIRD PARTIES TRANSACTING ON BEHALF OF MEDICAL SERVICE PROVIDERS

- 3.1. Third Parties that provide administration services on COID medical invoices on behalf of medical service providers must take note of the following:
 - 3.1.1. A third party transacting with the Fund, must be in a position to obtaining a copies of the original claim documents and medical invoices from medical service providers.
 - 3.1.2. The third party must keep such records in their original state as received from the medical service provider and must furnish the Compensation Commissioner with such documents on request for the purposes of auditing.
- 3.2. The Fund will not provide or disclose any information related to a medical service provider, represented by a third party, where such information was obtained or relates to a period prior to them contracting to a third party.

Department: Employment and Labour REPUBLIC OF SOUTH AFRICA

4. THE EMPLOYEE AND THE MEDICAL SERVICE PROVIDER

- 4.1. Medical Service Providers are advised to take note of the following as it pertains to the treatment of patients in relation to the Compensation for Occupational Injuries and Diseases Act of 1993 (COID Act):
 - 4.1.1. An employee as defined in the COID Act of 1993, is at liberty to choose their preferred medical service provider without interference, as long as it is exercised reasonably and without prejudice to the employee or the Compensation Fund.
 - 4.1.2. The only exception to this rule is in case where an employer, with the approval of the Compensation Fund, provides comprehensive medical aid facilities to its employees, e.g. Hospital, nursing and other medical services — Section 78 of the COID Act refers.
 - 4.1.3. In terms of Section 42 of the COID Act, the Compensation Fund may refer an injured employee to a specialist medical service provider designated by the Director General for a medical examination and report.
 - 4.1.4. In terms of section 76,3(b) of the COID Act, no amount in respect of medical expenses shall be recoverable from the employee.
 - 4.1.5. In the event of a change of a medical service provider attending to a case, the first treating doctor in attendance will, except where the case is transferred to a specialist, be regarded as the principal treating doctor.
 - 4.1.6. To avoid disputes regarding the payment for services rendered, medical service providers should refrain from treating an employee already under treatment by another medical practitioner without consulting/informing the principal treating doctor.
 - 4.1.7. Any changes of medical service providers must have sufficient reasons existing for such a change which must be communicated to the Compensation Fund.
 - 4.1.8. According to the National Health Act no 61 of 2003, Section 5, a health care provider may not refuse a person emergency medical treatment. Such a medical service provider should not request the Compensation Fund to authorise such treatment before the claim has been registered and liability for the claim is accepted by the Compensation Fund.
 - 4.1.9. An employee seeks medical advice at their own risk. If such an employee presents themselves to a medical service provider as being entitled to treatment in terms of the COID Act, whilst having failed to inform their employer and/or the Compensation Fund of any possible grounds for a claim, the Compensation Fund cannot accept responsibility for the settlement of medical expenses incurred under such circumstances.
 - 4.1.10. The Compensation Fund may have reasons to repudiate a claim lodged with it, in such circumstances, the employee would be in the same position as any other member of the public regarding payment of their medical expenses.

Department: Employment and Labour REPUBLIC OF SOUTH AFRICA

5. OVERVIEW OF THE COID CLAIMS PROCESS

- 5.1. All claims lodged in the prescribed manner with the Compensation Fund are subjected to the following process:
 - 5.1.1. New claims are registered by the Employers with the Compensation Fund in the prescribed manner. Details of and progress of the claim can be viewed on the online processing system for registered users of the system.
 - 5.1.2. Proof of identity is required in the form of a copy of an Identity document/card, will be required in order for a claim to be registered with the Compensation Fund. In the case of foreign nationals, the proof of identity (passport) must be certified.
 - 5.1.3. All supporting documentation submitted to the Compensation Fund must reflect the identity and claim numbers of the employee.
 - 5.1.4. The allocation of a claim number to a claim after the registration thereof by the Compensation Fund, does not constitute acceptance of liability for a claim. It indicates that the injury on duty has been reported to the Compensation Fund and acknowledged.
 - 5.1.5. When liability for a claim is accepted by the Compensation Fund in terms of the COID Act, reasonable medical expenses, related to the medical condition shall be paid to medical service providers, that treat the employees, in accordance to approved tariffs, billing rules and procedures as published in the medical tariff gazettes of the Compensation Fund.
 - 5.1.6. If a claim is repudiated in terms of the COID Act, medical expenses, will not be payable by the Compensation Fund. The employer and the employee will be informed of this decision and the injured employee will be liable for payment of medical costs incurred.
 - 5.1.7. In the event of insufficient claim information being made available to the Compensation Fund, the claim will be rejected until the outstanding information is submitted and liability can be determined.
 - 5.1.8. Manner of payment of medical benefits for Compensation Fund claims, where liability has been accepted (adjudicated) on or after 1 April 2025.
 - 5.1.9. All medical invoices for accepted claims must be submitted, in the prescribed manner within 24 months of the date of acceptance of liability. Medical invoices received after said time frame will be considered as late submission of invoices and may be rejected.
 - 5.1.10. All service providers should be registered on the Compensation Fund claims processing system in order to capture medical invoices and medical reports for medical services rendered.
 - 5.1.11. Medical reports and medical invoices should ONLY be submitted/transmitted for claims that The Compensation Fund has accepted liability for and thus reasonable medical expenses are payable.

Department: Employment and Labour REPUBLIC OF SOUTH AFRICA

6. BILLING REQUIREMENTS FOR MEDICAL SERVICES PROVIDED TO INJURED/DISEASED EMPLOYEES

6.1. Medical Reports:

In terms of Sec 74(1)(2)(3)(4) and (5) of COID Act, Submission of Medical Report; Medical Service provider are advised to take note of the following:

- 6.1.1. The first medical report (W. CL 4), completed after the first consultation must confirm the clinical description of the injury/disease. It must also detail any procedure performed and any referrals to other medical service providers where applicable.
- 6.1.2. All follow up consultations must be completed on a Progress Medical Report (W.CL5). Any operation/procedure performed must be detailed therein and any referrals to other medical service providers where applicable.
- 6.1.3. A progress medical report is considered to cover a period of 30 days, with the exception where a procedure was performed during that period, then an additional operation report will be required.
- 6.1.4. Only one medical report is required when multiple procedures are done on the same service date.
- 6.1.5. When the injury/disease being treated stabilises a Final Medical Report must be completed (W.CL 5F).
- 6.1.6. Medical Service Providers are required to keep copies of medical reports which should be made available to the Compensation Commissioner when requested.

NB: Hospitals will be required from the 1st April 2025 to provide patient records when submitting medical invoices for services provided.

Department: Employment and Labour REPUBLIC OF SOUTH AFRICA

7. <u>MINIMUM INFORMATION REQUIREMENTS FOR MEDICAL INVOICES SUBMITTED</u> TO THE COMPENSATION FUND

The following must be indicated on a medical invoice in order to be processed by the Compensation Fund:

- 1. The allocated Compensation Fund claim number
- 2. Name and ID number of employee
- Name and Compensation Fund registration number of Employer, as indicated on the Employers Report of Accident (W.CL 2)
- 4. DATES:
 - a. Date of accident
 - b. Date of service (From and to)
- 5. Medical Service Provider, BHF practice number
- 6. VAT registration number of Medical Service Provider: VAT will not be applied if a VAT registration number is not supplied on the invoice
- 7. Tariff Codes:
 - a. Tariff code applicable to injury/disease, are as published tariff gazettes.
 - b. Amount claimed per code, quantity and the total amount of the invoice.
- 8. VAT:
 - a. The tariff amounts published in the tariff guides exclude VAT.
 - b. All invoices for services rendered will be assessed without VAT.
 - c. VAT will be applied to VAT registered vendors (MSP's) without being rounded off.
 - d. With the exception of the following:
 - i. "PER DIEM" tariffs for Private Hospitals that already are VAT inclusive.
 - ii. Certain VAT exempted codes in the Private Ambulance tariff structure.
- 9. All pharmacy or medication invoices must be accompanied by the original script(s)

NB!! All pharmaceuticals will be processed in accordance with Nappi file codes.

- 10. Where applicable the referral letter from the treating practitioner must accompany the medical service providers' invoice.
- 11. All medical invoices must be submitted with invoice numbers to prevent system rejections.
- 12. Duplicate invoices should not be submitted.
- 13. Compensation Fund does not accept submission of running accounts /statements, but will reject upfront at switch level.

PLEASE NOTE: The Compensation Fund will withhold payments if medical invoices do not comply with minimum submission and billing requirements as published in the Government Gazette

Department: Employment and Labour REPUBLIC OF SOUTH AFRICA

8. REQUIREMENTS FOR SWITCHING MEDICAL INVOICES WITH THE COMPENSATION FUND

A switching provider must comply with the following requirements:

- 1. Register with the Compensation Fund as an employer where applicable in terms of the COID Act 1993
- 2. Host a secure FTP (or SFTP) server to ensure encrypted connectivity with the Fund. This requires that they ensure the following:
 - a. Disable Standard FTP because is now obsolete. ...and use latest version and reinforce FTPS protocols and TLS protocols.
 - b. Use Strong Encryption and Hashing.
 - c. Place Behind a Gateway.
 - d. Implement IP Blacklists and Whitelists.
 - e. Harden Your FTPS Server.
 - f. Utilize Good Account Management.
 - g. Use Strong Passwords.
 - h. Implement File and Folder Security.
 - i. Secure your administrator, and require staff to use multifactor authentication.
- 3. Submit and complete successful test file after registration before switching the invoices.
- 4. Verify medical service provider's registration with the Board of Healthcare Funders of South Africa.
- 5. Submit medical invoices with gazetted COIDA tariffs that are published annually.
- 6. Comply with medical billing requirements of the Compensation Fund.
- 7. Single batch submitted must have a maximum of 150 medical invoices.
- 8. Eliminate duplicate invoices before switching to the Fund.
- 9. File name must include a sequential batch number in the file naming convention.
- 10. File names to include sequential number to determine order of processing.
- 11. Only pharmacies should claim from the NAPPI file.

PLEASE NOTE:

Failure to comply with the above requirements will result in deregistration / penalty imposed on the switching house.

GENER	ALRULES
1	Rules
	The following Rules apply to all Practitioners
001	Tariff code 8101 refers to a Full Mouth Examination, charting and treatment planning and no further examination fees shall be chargeable for an oral examination (Tariff code 8101) or comprehensive examination (Tariff code 8102) until the treatment plan resulting from these type of examinations is completed. This includes the issuing of a prescription where only medication is prescribed. Tariff code 8104 refers to a consultation for a specific problem and not to a full mouth examination, charting and treatment planning. This includes the issuing of a prescription where only medication is prescribed.
002	Except in those cases where the fee is determined "by arrangement", the fee for the rendering of a service which is not listed in this schedule shall be based on the fee in respect of a comparable service that is listed therein and Rule 002 must be indicated together with the tariff code.
003	In the case of a prolonged or costly dental service or procedure, the Dental Practitioner shall ascertain beforehand from the Commissioner whether financial responsibility in respect of such treatment will be accepted.
005	Except in exceptional cases the service of a specialist shall be available only on the recommendation of the attending Dental or Medical practitioner. Referring practitioners shall indicate to the specialist that the patient is being treated in terms of the Compensation for Occupational Injuries and Diseases Act.
007	"Normal consulting hours" are between 08:00 and 17:00 on weekdays, and between 08:00 and 13:00 on Saturdays.
008	A Dental Practitioner shall submit his or her invoice for treatment to the employer of the employee concerned and to the Compensation Fund.
009	Dentists in general practice shall be entitled to charge two-thirds of the fees of specialists only for treatment that is not listed in the schedule for dentists in general practice. Benefits in respect of specialists charging treatment procedures not listed in the schedule for that speciality, shall be allocated as follows : General Dental Practitioners Schedule 100% Other Dental Specialists Schedules 2/3
010	Fees charged by Dental Technicians for their services (PLUS L) shall be indicated on the Dentist's invoice against the tariff code 8099. Such Dentist's invoice shall be accompanied by the actual invoice of the Dental Technician (or a copy thereof) and the invoice of the Dental Technician shall bear the signature of the Dentist (or the person authorised by him) as proof that it has been compiled correctly. "L" comprises the fee charged by the Dental Technician for his services as well as the cost of gold and of teeth. For example, tariff code 8231 is specified as follows (gold only applicable with prior authorization). Rc 8231 X 8099(8231) Y Total R(X+Y)
	Modifiers may only be used where (M/W) appears against the tariff code in the schedule
011	
	with the state of the state of the state and Oral (MEO) Surgoon
	8005 Maximum multiple procedures (same incision) - Maximum racial and Oral (MirO) surgeon 8006 Multiple surgical procedures - third and subsequent procedures (50% of the appropriate benefit)
	(D) UD OFF(of the expression hopefit)
	8008 Emergency surgery - after hours (PLUS 25% of the appropriate benefit) 8009 Multiple surgical procedures - second procedure (75% of the appropriate benefit)
	Initia Initiate Structures - Second procedure (10% of the appropriate periody

012	In cases where treatment is not listed in the schedule for Dentists in general practice or Specialists, the appropriate fee listed in the medical schedules shall be charged and the relevant tariff code in the medical schedules indicated.
013	Cost of material (VAT inclusive): This rule provides for the charging of material costs where indicated against the relative tariff codes by the words "(See Rule 013)". Material should be charged for at cost plus a handling fee not exceeding 35%, up to R5976.30 A maximum handling fee of 10% shall apply above a cost of R5976.30 A maximum handling fee of R8964.30 will apply. Note: Tariff code 8220 (suture) is applicable to all registered practitioners.
014	Surgery guidelines: Follow-up care for therapeutic surgical procedures: The fee for an operation shall, unless otherwise stated, include normal post-operative care for a period not less than one month. If a Practitioner does not complete the post-operative care, the Practitioner shall arrange for post-operative care without additional charges. A fee for post-operative treatment of a prolonged or specialized nature may be charged as agreed upon between the Practitioner and the patient.
2	Explanations
Additio	ns, deletions and revisions
	A summary listing all additions, deletions and revisions applicable to this schedule is found in Appendix A. New Tariff codes added to the schedule are identified with the symbol * placed before the Tariff code. In instances where a tariff code has been revised, the symbol * is placed before the Tariff code.
Tooth i	dentification and designation of areas of the oral cavity:
	Tooth identification and designation of areas of the oral cavity is compulsory for all invoices rendered. Tooth identification is applicable to procedures identified with the letter (T), and other designation of areas of the oral cavity with the letter (Q) for a quadrant and the letter (M) for the maxillary or mandibular area in the mouth part (MP) column of the Dental Coding. The International Standards Organisation (ISO) in collaboration with the FDI designated system for teeth and areas of the oral cavity should be used. For supernumeraries, the abbreviation SUP should be used.
Treatm	ent categories:
	Treatment Categories (TC) of dental procedures are identified in the TC column of the Dental Coding as follows:
	Basic Dentistry - designated as (B) in the treatment category column
	Advanced Dentistry - designated as (A) in the treatment category column
	Surgery - designated as (S) in the treatment category column

D. ENDODONTICS

* Preamble:

1. The Health Professions Council of SA has ruled that, with the exception of diagnostic intra -oral radiographs, fees for only three further intra -oral radiographs may be charged for each completed root canal therapy on a single -canal tooth; or a further five intra -oral radiographs for each completed root canal therapy on a multi -canal tooth.

 The fee for the application of a rubber dam (See tariff code 8304 in the category "Adjunctive General Services ") may only be charged concurrent with the following procedures:

- Gross pulpal debridement, primary and permanent teeth, for the relief of pain (tariff code 8132)

- Apexification of a root canal (tariff code 8305)

- Ceramic and or resin inlays (tariff codes 8371 to 8374)

- Pulpotomy (tariff code 8307) - Complete root canal therapy (tariff codes 8328, 8329 and 8332 to 8340)

- Removal or bypass of a fractured post or instrument (tariff code 8330).

- Bleaching of non vital teeth (tariff codes 8325 and 8327) and

- Ceramic and or resin inlays (tariff codes 8371 to 8374)

3. After endodontic preparatory visits (tariff codes 8332, 8333 and 8334) have been charged, fees for endodontic treatment completed at a single visit (tariff codes 8329, 8338, 8339 and 8340) may not be levied.

4. Where tariff code 8132 is charged, no other endodontic procedures may be charged at the same visit on the same tooth. Tariff codes 8338, 8329, 8339 and 8340 (single visit) may be charged at the subsequent visit, even if tariff code 8132 was used for the initial relief of pain.

5.No other endodontic procedure may, in respect of the same tooth, be charged concurrent to tariff code 8307 and a completed root canal therapy should not be envisaged (tariff code 8304 excluded)

ADMIN	NISTRATIVE AND LABORATORY SERVICES					
8099	Dental laboratory service					
	Use to submit dental laboratory services. See Rule 010.					
DISCO	ONTINUED CODES					
8651	Complete upper or lower denture with major complications					
8202	Extraction - each additional tooth or exposed tooth roots					
8214	Surgical removal of residual tooth roots (cutting procedure), each subsequent tooth.					
8611	Sanitary pontic					
8613	Posterior pontic					
8615	Anterior pontic					
9184	Surgical placement of endosseus implant - second per quadrant.					
9185	Surgical placement of endosseus implant - third and subsequent per quadrant.					

Please N	ote: The below Dental Technology services codes, may only be billed with code 8099			
Code	Code Description	Ranc		
9301	Casting and trimming of model in plaster (yellow/white), per model	50.14		
9303	Casting and trimming of model in super-hard stone (die-stone) per model	71.66		
9305	Casting and trimming of study model, per model	132.39		
9307	Casting and trimming of gnathostatic model, per model.	172.36		
9312	Gingival tissue mask per implant	286.62		
9314	Refractory model, per unit	151.37		
9315	Models and duplicate models (virgin model) for crown and bridge, work inclusive of one removable die			
9319	Each additional removable die for items 9315 and 9317 per die	47.49		
9320	Indexed or model tray per die (not more than 9319)	47.49		
9321	Occlusion block, per block	182.96		
9327	Infection control per impression, denture (wax or acrylic) or any item in contact with body fluids	34.45		
9329	Fit and supply of disposable articulator	90.21		
9330	Delivery / Collection fee per completed procedure (maximum 4)	95.61		
SECTION	2 - PROSTHETIC SERVICES USING ACRYLIC			
9331	Full upper and lower dentures	2460.58		
9333	Full upper or lower denture	1439.69		
	PARTIAL DENTURES			
9351	Set-up and finish of one-tooth denture	660.27		
9352	Set-up and finish of two-tooth denture	702.57		
9353	Set-up and finish of three-tooth denture	752.92		
9354	Set-up and finish of four-tooth denture	795.21		
9355	Set-up and finish of five-tooth denture	859.24		
9356	Set-up and finish of six-tooth denture	1025.97		
9357	Set-up and finish of seven-tooth denture	1219.74		
9358	Set-up and finish of eight-tooth denture	1294.15		
9359	Set-up and finish nine or more tooth denture	1325.95		
	REPAIR SERVICE			
9391	Basic charge which includes repair of one fracture, or addition of one tooth, or addition of one clasp	418.91		
9393	Additional charge for each additional fracture, or tooth, or clasp	130.06		
	ADDITIONAL SERVICES			
9413	Reline/rebase of single denture	837.82		
9415	Remodel of single denture	1288.54		
9417	Soft base reline per denture	2115.97		
9423	Lingual or palatal bar	315.67		
9431	Special Tray, acrylic, each	206.81		
9435	Provision of single arm clasp, to partial denture	108.76		
9439	Provision of single arm clasp with rest, to partial denture	243.80		
9441	Provision of double arm clasp with rest, to partial denture	328.92		
9443	Provision of preformed Roach clasp, to partial denture	140.66		
9445	Provision of rest only to partial denture	140.66		
9450	Finishing of acrylic work on any chrome cobalt or gold prosthesis	188.26		

	A FULL METAL DENTURES		
9451	Metal base for full upper or full lower denture each	1688.90	
9453	Basic charge - which excludes models and any special trays which may be required by the dentist, but includes refractory model		
9481	Additional charge for each soldering joint	249.21	
9497	Basic fee if a new section is to be fabricated and where item 9495 does not apply (9301)	437.36	
SECTIO	N 4 -CROWN AND BRIDGE PROSTHETIC SERVICES		
	PORCELAIN (CERAMIC) SERVICES		
9501	Ceramic jacket crown/Ceromer crown or pontic	1678.40	
9515	Porcelain shoulder per unit (not applicable to pontics)	148.82	
	GOLD AND ACRYLIC VEIN		
9524	Indirect Composite Resin inlay	371.32	
9525	Class IV, MO, DO, cervical/occlusal inlay	1129.64	
9533	Full metal pontic	1013.25	
9553	Composite/acrylic veneer crown/pontic, indirect	1869.31	
9563	Temporary acrylic/composite crown per unit	644.59	
9566	Porcelain/ Ceromer facing replaced	1360.09	
SECTIO	N 5 -ORTHODONTIC APPLIANCES - NOT A FUNDED TREATMENT		
	ORTHODONTIC SERVICES - NOT A FUNDED TREATMENT		
SECTIO	N 6 -MATERIALS		
	PROSTHETIC/RESTORATIVE SERVICES		
9700	Diatorics 1 X 6/8	-	
9702	Diatorics, odds, anterior		
9720	Soft base material per denture	-	
9722	Acrylic per denture	-	
9724	Cost of precision attachment, per attachment	•	
9728	Cost of lingual / palatal bar	-	
9734	Cost of dolder bar and clips, per gram or per clip	-	
	METAL		
9741	Cost of Cobalt Chrome casting alloy		
9742	Cost of specialised Cobalt Chrome casting metal e g Vitallium, Titanium	-	
9748	Cost of non-precious casting alloy	-	
9760	Composite restoration material	-	
9780	Positioning and finishing of complete (male and female) pre-fabricated burn-out attachment	835.07	
9782	Positioning and soldering of complete (male and female) precision attachment	697.27	
9786	Trimming, waxing and finishing of implant abutment - crown and bridge work only, per abutment
