(MAP ACT) AS AMENDED**

A directly affected group means any group of persons, which is party to the production, sale, purchase, processing or consumption of an agricultural product and includes labour employed in the production or processing of such a product.

The register is being used to bring applications for statutory measures (and other interventions in the agricultural sector in terms of the MAP Act) to the attention of directly affected groups and to invite such directly affected groups to lodge any objections or support relating to such a request to the NAMC within a specified time. The viewpoints of directly affected groups are considered before the NAMC formulates its recommendations to the Minister of Agriculture.

All directly affected groups in the agricultural industry are kindly requested to register with the NAMC at any time, by e-mailing the following information to Mathilda van der Walt at the NAMC (mathildavdw@namc.co.za).
