2. INTRODUCTION

- 2.1. There have been widespread calls for the publication of guidelines for the appointment of Acting Judges from within the Judiciary, the legal profession and the public at large. These Guidelines will go a long way towards strengthening the relationship with the Judiciary and legal profession and fostering an environment for the enhancement of communication with stakeholders.
- 2.2. The Minister has compiled Guidelines on the Appointment of Acting Judges in the Superior Courts in consultation with the Judiciary in accordance with the relevant provisions of section 175 of the Constitution of the Republic of South Africa, 1996 (the Constitution).

3. PURPOSE OF THE GUIDELINES

- 3.1. The independence of the Courts and Judiciary is protected and guaranteed by section 165(2) of the Constitution. Section 165(4) of the Constitution further places a constitutional duty on organs of State, through legislative and other measures, to assist and protect the courts to ensure their independence, impartiality, dignity, accessibility and effectiveness.
- 3.2. The objectives of these Guidelines are to -
 - 3.2.1. give effect to section 165(4) of the Constitution by setting out clear, uniform and transparent criteria and procedures for the appointment of Acting Judges, which is aimed at promoting judicial independence and effectiveness of the Courts, thus enhancing the Rule of Law;
 - 3.2.2. regulate the process for the appointment of Acting Judges and promote equitable access to acting stints in order to increase the number and quality of candidates available for appointment to the Judiciary;

3.2.3. enhance public trust and confidence in the judicial system by providing transparency in the process of appointing Acting Judges; and

3.2.4. to assist the Minister in exercising the function of appointing Acting Judges after the Minister has consulted the relevant Heads of Court.

4. SCOPE AND APPLICABILITY OF THESE GUIDELINES

These Guidelines shall apply to the appointment of Acting Judges to the Supreme Court of Appeal, Divisions of the High Court, and Specialist Courts.

5. DISCUSSION

5.1. Acting judicial appointments are governed by Section 175 of the Constitution. The relevant section makes provision for the appointment of Acting Judges, where there is a vacancy in the court or where the Judge is absent.¹

5.2. In terms of this practice, requests for the appointment of Acting Judges come directly from the Heads of Courts to the Minister. These requests usually take the form of a written request containing, amongst other particulars, the name of the candidate whom the Head of Court is recommending for an acting appointment in his or her jurisdiction, his or her curriculum vitae (CV) and motivation for his or her appointment. A CV and motivation are unnecessary for the appointment of a person or a Judge as an Acting Judge where he or she has previously been appointed as an Acting Judge.

¹ 175(1) The President may appoint a woman or man to serve as an acting Deputy Chief Justice or judge of the Constitutional Court if there is a vacancy in any of those offices, or if the person holding such an office is absent. The appointment must be made on the recommendation of the Cabinet member responsible for the administration of justice acting with the concurrence of the Chief Justice, and an appointment as acting Deputy Chief Justice must be made from the ranks of the judges of the Constitutional Court.

(2) The Cabinet member responsible for the administration of justice must appoint acting judges to other courts after consulting the senior judge of the court on which the acting judge will serve.

6. CIRCUMSTANCES UNDER WHICH ACTING JUDGES ARE TO BE APPOINTED

- 6.1. The appointment of Acting Judges may be made where any of the following circumstances exists -
- 6.1.1. there is a vacancy in the relevant Court;
 - 6.1.2. a permanently appointed Judge is temporarily unavailable due to ill health, leave of absence, performing other official duties, or any other reason for which the law allows leave of absence; and if a Judge of one Division is temporarily assigned to another Division in terms of section 6(5) of the Superior Courts Act No 10 of 2013, such assignment must take place by way of an acting appointment.
- 6.2. Only under exceptional circumstances, and where there is a need, shall consideration be given to the appointment of Acting Judges to temporarily increase the judicial capacity at a Court, having regard to budgetary implications, the judicial requirements of Court, and any other factor deemed necessary by the Minister in consultation with the Head of Court or Senior Judge.
- 6.3. Time frames must be set. A request for Acting Appointments must be sent two weeks in advance. Late requests for Acting appointments must be accompanied by detailed motivation. Such requests may only be considered in exceptional circumstances including medical reasons and any other emergency.
- 6.4. The request must clearly state for what reason the acting appointment is being sought (ie a judge is on leave, a vacancy).
- 6.5. Information about the racial and gender composition of the Judges in a court in which an Acting Judge is required must be included in the request.

7. CRITERIA FOR THE APPOINTMENT OF ACTING JUDGES TO DIVISIONS OF THE HIGH COURT AND SPECIALIST COURTS

- 7.1. All candidates for appointment as Acting Judges must be fit and proper persons in good standing with the Legal Practice Council and/or recognised law body, to which they belong.
- 7.2. All candidates for appointment as Acting Judges must be appropriately qualified in law and the candidates considered for appointment to act in a Specialist Court must have the knowledge, demonstrable expertise and experience in the relevant field of law.

- 7.3.1. practising as an Advocate or Attorney/legal practitioner as defined in the Legal Practice Act;

 - 7.3.3. lecturing in law at a tertiary institution.

- (a) the extent to which the candidate has actively played a mentoring role to junior legal practitioners or candidate legal practitioners, particularly women and those of previously disadvantaged backgrounds;
- (b) the degree to which the candidate has generally participated in the enhancement of transformation through the structures of the legal profession;
- (c) the extent to which a candidate has involved junior legal practitioners or candidate legal practitioners, particularly women and those from previously disadvantaged backgrounds, in matters in which the candidate has been involved particularly important legal matters;
- (d) a potential conflict of interest relating to the candidate's appointment which must be disclosed in writing to the Judge President.

7.5 The request for term appointments must be made at least four weeks before the date on which the appointment is expected to take place, unless special circumstances justify a shorter period in a specific case.

9.4.3. the submission must clearly state the circumstances in which the appointment is sought; and

9.4.4. a breakdown of the current racial and gender composition of the Court.

9.5 Whilst it is understood that the request for the appointment on *pro bono* basis is essentially based on the need to create opportunities for legal professionals with practical experience to develop judicial skills through exposure on the Bench, and to assist the courts with disposing backlog court rolls, the respective Heads of Court making such a request must provide detailed reasons for any *pro bono* appointments to be made.

- 10.4.
