8. Payment and enforcement of the levy

A levy imposed in terms of this notice shall be paid to the Levy Administrator —

(a) in the case of an event referred to in Sections 5(1)(a) and 5(2)(a), within 14 days after the end of the calendar month within which the purchase, sale or other event, as the case may be, took place;

8.1. Payment shall be made by means of electronic bank transfer in favour of the Levy Administrator, and shall be paid into the account number obtainable from the Levy Administrator. Payment shall be made free of any bank charges, costs or deductions, and the person liable to pay the levy shall bear all costs associated with effecting such payment, so that the Levy Administrator receives the full amount of the levy imposed under Section 5. Where payment is tendered otherwise than by electronic bank transfer, and the Levy Administrator thereby incurs bank charges, those charges shall be recoverable from the person liable to pay the levy as an administrative cash handling fee, which fee shall be reflected separately on the statement rendered to that person and shall not form part of, or be added to, the levy imposed under Section 5.

Because this notice fixes the date on which payment becomes due, the person liable falls into default upon the arrival of that date, and no letter of demand, notice of default or other demand for payment is required in order for interest to commence running. The running of interest under this sub-clause does not preclude the Levy Administrator from exercising any other remedy available to it in law.

This levy shall come into operation on 5 November 2026 and will lapse on 4 November 2030, being a period of four years. The lapsing of the levy shall not —
