## UNITY

- The situation in the country is gradually returning to normal in most parts of Gauteng and KwaZulu-Natal.
- The destruction of property and theft of goods has cost businesses, consumers and the country billions of Rand.
- The government is working with key stakeholders to rebuild the economy.
- Communities across the country are urged to continue working with the police through Community Policing Forums.
- No person should take the law into their own hands.
- We are encouraged by the active efforts of citizens in defending people's lives and our democracy.
- Government thanks all the patriots who volunteered to clean up malls and businesses after the damage caused by the unrest and protests.
