I care for the safety of women and children . Count me in .
Count me in . I'm cool . I don't bully others . Count me in .
I financially provide for my family . I don't punch others .
I speak out against Gender Based Violence . Count me in . I will not marry my child .
A happy family today is a healthy community tomorrow . Count me in .
I care for the safety of women and children . I speak out against Gender Based Violence .
I will not call my wife names .
