Cabinet met on Friday, 13 December 2019 at the Union Buildings in Pretoria.

1. ISSUES IN THE ENVIRONMENT

Cabinet approved the publication of the Bill for public comment. The Bill provides for integrated land use and planning frameworks that will contribute to economic growth and transformation. The Bill also separately provides for the regulation of petroleum pipelines. It includes dealings with the Ficksburg banking network as a result of the theft of the power plants and the health centre. It also includes the Mabola and Joubert power stations.
