

COVID 19 TERS EASY AID

1. BACKGROUND

Section 8 of The National Disaster Regulation 10 empowers the Minister of Employment and Labour (the Minister) as required, may issue and vary directions, within his mandate, to address, prevent and combat the spread of COVID-19, from time to time, including:

- a. Disseminating information required for dealing with the national state of disaster,
- b. Implementing emergency procurement procedures,
- c. Taking any other steps that may be necessary to prevent an escalation of the national state of disaster, or to alleviate, contain and minimize the effects of the national state of disaster, or
- d. Taking steps to facilitate international assistance.

In line with the above regulation, the Minister has announced measures that the Department will put in place under the current special circumstance relating to the Corona virus (COVID-19) and its impact on UIF contributors.

The Unemployment Insurance Fund will assist affected workers through existing benefits including Illness, Reduced Work Time, Unemployment and Temporary Employer/Employee Relief Scheme (TERS) benefits.

The Unemployment Insurance Commissioner, after consultation with Unemployment Insurance Executive, has also developed a Corona Virus Temporary Employer-Employee Relief Scheme (**COVID19TERS**) to contribute to the containment of the Corona Virus and its impact.

Employer/s that have to enforce lock down as regulated and who might require financial assistance from the UIF should access information regarding available funding through a dedicated mailbox: covid19ters@labour.gov.za.

On receipt of a request, an automated response will be sent outlining the procedure and documents/information required by the Fund to process application.
