PROTECT SOUTH AFRICA

TOGETHER WE CAN BEAT CORONAVIRUS

## THE POWER TO DEFEAT CORONAVIRUS IS IN YOUR HANDS

PLAY YOUR PART

### PROTECT YOURSELF FROM CORONAVIRUS (COVID-19)

Wash your hands regularly with soap for at least 20 seconds or use an alcohol-based hand sanitizer.

Wear a cloth face mask at all times in public.

Stay at least 1.5 metres apart from another person and practise social distancing.

Cough or sneeze into your elbow.

Clean surfaces regularly at your home or workplace.

### WHAT IS COVID-19?

COVID-19 is an infectious disease that is spread, directly or indirectly, from one person to another. It is spread by droplets in the air when an infected person coughs or sneezes, or by touching a surface that is contaminated by the virus – such as door handles, lift buttons, pens, counter tops, shopping trolleys and any other object.

### IF YOU HAVE ANY OF THE FOLLOWING SYMPTOMS:

FEVER

DRY COUGH

SHORTNESS  
OF BREATH

RUNNY NOSE

CALL THE COVID-19 HOTLINE  
**0800 029 999**

REPUBLIC OF SOUTH AFRICA

# IF YOU SUSPECT YOU OR A FAMILY MEMBER HAVE COVID-19

- Call the 24-hour **emergency hotline number 0800 029 999** or join the **WhatsApp helpline 0600 123 456** by saving this contact number and saying 'hi'.
- Log on to [www.sacoronavirus.co.za](http://www.sacoronavirus.co.za) and you will be directed to your closest testing station if you require assistance. At the testing station, you will be tested and advised on the right type of care.

## SPECIAL MEASURES FOR THE MOST VULNERABLE

All those above the age of 60, and those with underlying medical conditions, should only leave home in exceptional circumstances.

Employers should allow them to work from home where possible or put special measures in place to facilitate their safety at work.

## SAVE YOUR LIFE AND THE LIVES OF OTHERS
