

The next stage of South Africa's response

Ongoing monitoring
of the number and severity of
cases in every province and
district

Ensuring that **adequate
healthcare capacity is in
place** for areas of high
transmission

Prioritising the
**protection of healthcare
and frontline workers**

Special precautions for
those **above 60** and those
with **underlying medical
conditions**

The next stage of South Africa's response

A differentiated approach will mean:

Targeted interventions to contain
outbreaks at a local level

**Returning to a higher alert
level** in certain areas if
necessary

**Fewer restrictions in most of
the country**, where the rate of
infection is low

South Africa will be placed on alert level 3

From:

1 June 2020

This means that all economic activity is allowed to resume, with some exceptions

South Africa will be placed on alert level 3 from 1 June

This means that all economic activity is allowed to resume, except for:

PROHIBITED

Consumption of food and alcohol in restaurants, bars, shebeens and taverns

PROHIBITED

Cinemas, theatres, museums and entertainment venues

PROHIBITED

Hotels and accommodation for leisure

PROHIBITED

Gyms and fitness centres

PROHIBITED

Personal care services, where social distancing is not possible

PROHIBITED

Conferences, events and gatherings

South Africa will be placed on alert level 3 from 1 June

You must **remain at home**, except to travel to work, purchase goods, exercise and seek medical care

People can leave home to **attend school** or other **educational institutions** when these re-open

PROHIBITED

No gatherings are permitted

You should **not visit family or friends**, to protect them in case you are infected

South Africa will be placed on alert level 3 from 1 June

This means that:

All **retail stores** will be **open**

Alcohol will be sold under **strict conditions**, on specified days

PROHIBITED

The sale of **cigarettes** and **tobacco** products remains **prohibited**

South Africa will be placed on
alert level 3 from 1 June

This means that:

Restaurants may **open for delivery, collection**
and **drive-through**, but may not serve food
on the premises

South Africa Alert Level 3

Closure of borders

All borders of the Republic remain closed,
except for the transportation of goods and
repatriation of citizens

South Africa Alert Level 3

Special measures will apply in hotspot areas, with more than five infections per 100,000 in the population:

There will be **certain restrictions on movement** in hotspot areas

Dedicated, multidisciplinary teams will be deployed to contain the outbreak

Each **hotspot** will be linked to **testing and quarantine facilities**, and additional hospital beds

All contacts will be **traced and isolated** to prevent further transmission

South Africa Alert Level 3

Creating a safe workplace |
To keep workers safe, employers must:

Make arrangements for **social distancing** at work

Provide **sanitiser** or facilities for hand-washing

Sanitise surfaces regularly

Screen employees for symptoms daily and **assist those at risk** to seek treatment

Play your part, stay safe

At Level 3, we need to take personal responsibility for our safety and the safety of others:

Keep a distance
of 1½ metres from
other people

Wash or sanitise
your hands
regularly

Clean surfaces
regularly

Wear a cloth
mask in public

PROHIBITED

Avoid crowds and
gatherings

Play your part, stay safe

Special measures for the most vulnerable:

All those **above the age of 60**,
and those with **underlying
medical conditions**, should
leave home **only** in exceptional
circumstances

Employers should allow them
to **work from home** where
possible, or put special
measures in place to facilitate
their **safety at work**

Play your part, stay safe

How to protect yourself and others

The majority of those infected with COVID-19
– **do not have symptoms**

You may be
spreading the virus
without knowing it

Wear a **mask**, wash your
hands regularly, and keep
your **distance** from others
