

COVID-19 SAFETY IN A TAXI

Stay at least **1.5m apart** from others when queueing

Keep **trips** as **short** as possible

Wear a properly **fitting mask** at all times

Don't **touch your face**

Use **hand sanitiser** before and after your trip

Choose taxis that are operating safely, with **empty seats** between passengers

Ask your **conductor** to keep the **windows slightly open**

Wash your hands as soon as you can after travelling

Avoid taxis if you are **60+** or have an **underlying illness**

COVID-19

STAYING SAFE WHEN A HOUSEHOLD MEMBER GETS SICK

If a household member with COVID-19 can't be quarantined at home, government will provide **quarantine facilities** for them

This will help **prevent others** in your household from getting sick

You only have to **stay** in a **quarantine centre** for up to **2 weeks**

The centre will **feed you**, make sure you are warm and provide **medical care**

Call the government hotline for more information:
0800 029 999

COVID-19 STAYING SAFE AS A RETAIL WORKER

Stay **1.5 metres** away from customers and other employees

Wear a mask unless you are eating or drinking

Don't **hug or shake hands** with people at work

Wash your hands every hour with soap and water for 20 seconds

Avoid public transport when travelling to work if possible

Report your concerns if you think something at **work is unsafe**

Always tell the **truth** when asked about **symptoms** for screening

Ensure your employer has your **contact details** in case of **emergencies**

COVID-19 STAYING SAFE AS AN EMPLOYEE

Tell your employer and do not go to work if you have these symptoms:

Temperature

New continuous cough

Difficulty breathing

REPUBLIC OF SOUTH AFRICA

COVID-19 STAYING SAFE WHEN SHOPPING

Avoid **crowded shops** and malls if possible

Sanitise your hands when entering and leaving a store

Wear a properly **fitting mask** at all times

Use a shopping **trolley** to help you **maintain distance** from others

Don't forget to **sanitise the trolley handle**

Stay **1.5 metres** from others if queueing to get inside a store

Wear a mask and maintain your distance when talking to people

COVID-19 SAFETY AT RELIGIOUS GATHERINGS

If the religious gathering looks **crowded**, come back **another time**

Avoid attending if you are **60+** or have an **underlying illness**

Wear a properly **fitting mask** at all times

Religious gatherings should be **no longer than two hours**, but shorter is safer

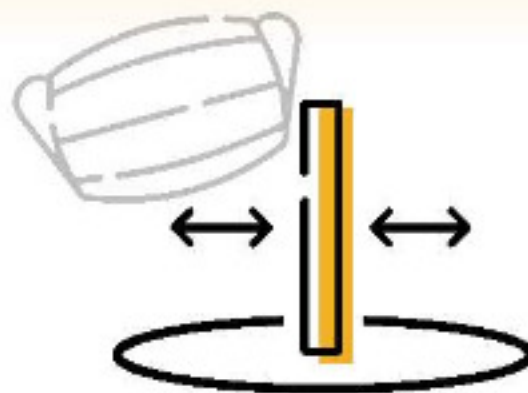

If **religious leaders** come and **pray at your home** - wear a mask, keep your distance and avoid touching

Avoid singing indoors at the service, as the coronavirus is **carried on the air**

Don't share cups or dishes **or touch each other** during the service

Wear a **mask** and maintain a **1.5 metre distance** when talking to people

Wash your hands soon as you can after the gathering
